

Website of the Month

This month's website is a company called Batteries America. As the name suggests, this company sells batteries. Batteries America sells all types of R/C related batteries AND batteries for anything else that you can think of. Here is the link:

Prospective Member Information Sheet

There have been several occasions at the field where someone has shown up interested in joining our club. There always seemed to be a frantic search for paper and pen when they would ask for our website and other information. Shown below is an information sheet that I put together. Let me know within the next week or so if you have any suggestions for the information sheet. In a few weeks, I will make some copies and place them in the shelter.

See you at the field.
