The CVA meeting scheduled for September 10 is tentatively planned to be held at the flying field at 7:00. If the weather is acceptable, then we will hold the meeting at the field. The guestbook will be used to provide updates. No flying will be permitted during the meeting.

2020 Meeting Schedule

All meetings (except for the Christmas Dinner) in 2020 are normally held at the Williamsburg Christian Church on the second Thursday of the month, starting at 7 PM. We will determine on a monthly basis when to resume the indoor meetings.

Flying

The following is just my opinion. Going to the field and maintaining social distancing is relatively safe. In a study from China of 400 outbreaks, only one was traced to an outdoor event. If you have to borrow a tool, I suggest that you use hand sanitizer or a disinfecting wipe. As always, it is best not to fly alone in case there is an accident, especially when flying large fuel powered airplanes. This seems to be working well.

Activities

We will not be having any formal activities until the Coronavirus threat has lessened considerably.

The Cub Fly scheduled for September 19 is cancelled. However, if people want to get together informally that day and fly Cubs that would be acceptable. We will not have any food or drink. Please use the Guestbook to coordinate with other interested pilots.

The I.C.E. scheduled for October 3 is also cancelled. However, if people want to get together informally that day and fly fuel powered airplanes that would be acceptable. We will not have any food or drink. Please use the Guestbook to coordinate with other interested pilots.

Please remember social distancing and proper procedures if you attend one of these days.

We will determine the status of the other events as the dates get closer but at this time it is possible that we will not have any events this year.

Elections

The elections will be held during the September meeting. Nominations from the floor will be accepted prior to the election.

Budget

The budget must be submitted for approval at the October meeting. If you have any suggestions for changes in the budget please contact an officer after the election.

Show and Tell

We are going to have a short show and tell at the end of each meeting. Bring it and show us!
