Show and Tell

We are going to have a short show and tell at the end of each meeting. Normally the Show and Tell announcement is the last thing in each month's column. I am moving it to the top to get more notice. I would like to have this be a significant part of each month's meeting and not just be all business. The Show and Tell has been fairly short lately. To be a success, it needs participation from the members. Take a few minutes and think about what you are doing that might be interesting to other members. I might be a new purchase, new technique or just an update on existing airplanes. Please take a few minutes to think about it.

Activities – Bonus picnic

Both picnics this year were very well attended. At the last meeting it was discussed and agreed to add a bonus picnic.

The current schedule is:

Oct 8 – Bonus Picnic (postponed to the 8th because of the remnants of the hurricane).

Oct 15 – Warbirds

Nov 12 – Fall Picnic
