Mining Operation

I have heard third hand that Branscomb is worried about safety of having people in the pit. Please avoid flying over that area as much as possible. One way to do this is to fly from the left (North) pilot boxes. If you do have a plane go down and they are working, flag someone down and talk to them before entering the area.

The current schedule is:

Nov 12 – Fall Picnic last event of the year

Jan 1st – Traditional New Year’s Day fly – Very well attended. Only postponed if it is unsafe to drive.
